## RECREATION SURVEY TO BE MADE

A major step towards a complete recreation program for St. Albert and District was taken Wednesday evening when nearly 70 people, most of whom represented the various organizations in the Town, met in the Community Hall. The meeting was sponsored by the Town of St. Albert and Mr. Lorne Wood, who since June has been the Temporary Recreational Director, was in the chair. He explained that his three month appointment by the Town was primarily for the purpose of determining what facilities for recreation the town already has, what recreational opportunities are now available, and what type of recreational facilities and program the people of St. Albert really want.

He advised that he has completed a survey of existing facilities and almost completed one of present programs. He then introduced Miss Elsie McFarlane who is Provincial Supervisor of Community Recreation. She explained how a "Family Interest Survey" can be taken to determine the community's recreational needs and interests and also its human resources in leadership. She told how such surveys have been accomplished in other places. She strongly felt that they were only truly successful when undertaken on a door-to-door basis, with a fully-briefed corps of volunteer surveyors calling at each home.

A question and Answer period followed. To the query "would this lead to the setting up of a Recreation Commission or Board for St. Albert?" the answer from Mr. Wood was "I would hope so". He explained that the results of the interest survey would have to be presented to the Town in the form of a brief, the contents of which would depend on the results of the survey. On being questioned about the town's budget for recreation, Mr. Vaness stated that there is an amount in the budget but only for the provision of skating and hockey rinks this year. When asked would the Council favor increase of this budget next year Mr. Vaness replied that "the Town Council are very interested and are looking forward to Mr. Wood's

## School Dress

The Court has decided that our Protestant School Board has the power to regulate the dress of its students. This is a fact which has to be respected. Many of us welcome this decision. Many others cannot agree. Both groups should also be respected for their free and frank opinions in this matter. It is not respectable if some member of one of the groups uses this Court decision as a personal campaign against the School Board and/or other individuals. This is not admissible, it does not solve the problem at all and is a bad example for our St. Albert youth. As free Canadians, members of each group have the right to express themselves, in a proper way. We have given the Court the honor of printing the complete oral judgement first, as the higher authority. Today we give the same right to those who cannot agree with the present dress regulations. But we would make it clear, and not to be mistaken, that the School Board confirmed, by legal Court decision, its power to regulate dress in its schools and the only action for those who cannot agree is to present their case at the next Annual Meeting of the Electors of the Protestant Separate School District. This will be the only place where, in a legal way, all parents can express their wishes and vote in a democratic way regarding these dress regulations. Until that moment, the decision of the School Board has to be respected and loyally accepted. We hope that all the parents will realize that this is the only way to act in a free, democratic country.

Many citizens have asked us our opinion regarding these dress regulations. It is no secret that we do not sympathize with them, because we do not believe that development of self-discipline has anything to do with dress regulations. To appear neat and proper under strict regulations is, of course a necessity in building up a neat and proper school, but regulations for the kind of dress are in our opinion part of the authority of the parents. We know that there are parents who fail to fulfil this part of their responsibility toward their children, but the principle (that the parents are the only ones who should decide what their children should wear) should not be set aside because of those parents who fail.

We find, and found, in dictatorial countries, the youth perfectly dressed as never before, but by personal experience, the behaviour of those children was, in many cases, miserable, not only to their parents and teachers, but also to their friends who were not dressed like themselves. For us, the problem is not how a child looks, but how he acts. The task for parents and school is, first and above all, to work at that inner part, to convince the child that he or she has to be honest, righteous, brave, friendly, tolerant, obedient, diligent, etc., to love their friends and neighbours, to respect their parents and teachers and also to respect the way of life and thoughts of others. With such an educational program the child will automatically follow all these regulations which are not in contradiction with the above mentioned moral qualities. Such a child will also be of great and continuous value to our society. Somewhere in the Bible we read "Cleanse first that which is within the cup and platter, that the outside of them may be clean also." This text is the basis of our thoughts in this whole unpleasant affair. Regulations and discipline generally, are necessary for every school system, but our children, and of course also their parents should be made morally able to understand the enormous responsibility that we have towards our society, which never will depend on the outside, but only on the inner human feelings.

## COUNCIL MEETINGS

Twice a month our Council has a public meeting in the Town Hall which is open to all citizens. The next meeting will be held on Monday, August 27th, and it is part of good citizenship to attend these meetings. The Council has, for your convenience, changed its hour of meeting to 6:30 P.M. See you there!

### RECREATION *continued from page 1*

report (which will include the results of all three surveys). These results will determine whether Council would have the backing of the people. No Council can initiate a recreational program without such backing. Up to now they felt they did not have this backing, either by helping such a program or by paying for it. The people must show that they are genuinely interested and must show they are prepared to pick up the tab."

A question was asked about the \$22,000 Provincial grant toward some Recreational facility in St. Albert, which is part of the Province's "Five Year Plan". This grant, which is a "facility" grant is available only until 1964, and should be claimed before then if it is to be obtained.

A question, in fact, several questions were asked about the recreational programs of local organizations, particularly the Community League which has been making a great effort to stimulate Community Recreational activities. Mr. Wood and Miss McFarlane felt that a Recreational authority would coordinate and enhance the work of such organizations, though in some cases it might seek to channel their activities to avoid duplication of services.

The meeting voted unanimously to have a "Family Interest Survey" taken. To that end volunteers were called for to form a "steering committee" to make arrangements for the survey. Mrs. W. Ryke and Messrs. D.R. Barry, W. A. Penrose, T. Weneen, B. Ford, E. Martyn and A. Bradley were named. Out of this Committee will come a Chairman, Secretary, Publicity conveners, Personnel

Conveners, and "mechanics" conveners. They will meet in the Town Hall at 7:30 on Monday, August 20. This committee is expected to appoint block captains and secure a volunteer staff of surveyors, possibly as many as 100, to undertake door-to-door surveying of all the homes in St. Albert, securing from each member of the family, his or her present recreational activities, the three or four major fields in which interest is greatest, and the qualifications or willingness to provide leadership in any recreational field. These results will be carefully tabulated and evaluated for the brief to be presented to Council. The probable date of the intensive survey will be the week of September 17th.

## DEATH OF LITTLE DAVID TANGEN

Sympathy of the community goes to Mr. and Mrs. Paul Tengen in the death of their three year old son, David, who passed away in the Royal Alexandra Hospital after a long illness. Funeral services were held on Saturday, at Howare and McBride, with Reverend James Joly of the St. Albert Baptist Church officiating. Interment was in the Ever-Green Memorial Gardens. Besides his parents David is survived by a sister, Leandre.

## SUDDEN DEATH OF YOUNG RESIDENT

Death came suddenly to Douglas Adam, aged 15, as he was enjoying a last swim in Cooking Lake before returning to St. Albert after a holiday. Swimming in the presence of his family and friends, he apparently felt dizzy and grasped a tow line. His father helped him to shore, but he did not regain consciousness and death is believed due to a brain hemorrhage. Besides his parents Mr. and Mrs. Len Adam of St. Albert, he is survived by a younger brother, Rodney. Funeral service was held in the Edmonton Moravian Church. The sympathy of the entire community goes out to Mr. and Mrs. Adam and Rodney in their loss.

## A HAPPY REUNION OF FRIENDS

Mr. and Mrs. Hector Arseneau, when they arrived in Amsterdam on their recent European trip, were delighted to find Mr. and Mrs. R. Dressler waiting for them at the terminal. They enjoyed an evening with the Dresslers then and another at Wiesbaden, Germany later in the month. Friends here will recall that Mr. Dressler, who was the first principal of the McKenzie School, has been in Germany for several years, where he is principal of a school for children of Canadian armed forces personnel stationed in Germany.

Mr. Arseneau reports that the Dresslers are enjoying their European tour of duty immensely and that they have taken the fullest advantage of their opportunities in touring the continent. When seen, they were preparing to go to Port-

ugal on a motor holiday. They use a Volkswagen bus, specially fitted as a camper, for their trips, and are having a wonderful time.

Yes, in St. Albert it is...

## IAN McLELLAN CANDIDATE FOR TUDHOPE PRIZE

Air Cadet Ian McLellan has just graduated from the Edmonton Flying Club with top honors among the Air Cadets taking flying training there. He has been taking his training through a flying scholarship donated by the St. Albert Lions Club and three prominent Edmonton firms, as previously reported in the Gazette. Now he has been selected as a candidate for the Tudhope Trophy, awarded to the best pilot under the age of 19 in all Canada. Along with the trophy the winner gets an all-expense trip to Hawaii via C.P.A. The examiner who tests the various candidates will arrive unannounced when he examines the various candidates. Congratulations to Ian from all St. Albert citizens on his splendid standing in the course, and best wishes in his try for the coveted trophy.

**BY-LAW CHALLENGED**

A petition, signed by the statutory twenty ratepayers, has been filed with the Secretary-Treasurer of the Town of St. Albert, which protests the recently published by-law concerning payment of allowances to Council members and the Mayor.

It is stated in the petition "Although we certainly have no objection to that part of the Bylaw providing for payment to all Councillors for attending meetings, we do object to that part which provides for payment to the Mayor for laying out and inspection of works undertaken by the town."

PART OF "ESKAPETS"**

Six local girls are enjoying one of the thrills of a lifetime as they form part of a 26-girl marching and dancing ensemble known as the Eskapets who perform at half-time during Eskimo home games in Clark Stadium this fall. Mr. Jack Winterton and his wife, Odette, both former performers with the Canadian

Army Show, have assumed responsibility this year for the half-time entertainment at home games of the ever lovin' Eks. They have organized the "Eskapets", who are real crowd-pleasers with their precision marching and dancing routines. Jack looks after the music with Odette the choreographer for the group. The fifty-man chorus of the SPEBSQSA Inc. (The Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America, to you), of which Jack has been director for four years, provides the other

## St. Albert Protestant Separate School District No. 6

**5 9 9 - 6 5 6 3**

half of the entertainment bill-of-fare for the games. Theme for the next appearance, August 31, will be music from the shows with 76 Trombones, Mack the Knife, and a Sing-along with Jack and the Chorus in which the crowd is expected to join. Rehearsals are held at Clark Stadium. Local girls include Mildred Burton, Barbara Perry, Wendy Parkes, Joan Thibeault, Lynn Winterton and Barbara Zyha. Mr. and Mrs. Winterton are residents of St. Albert.

### LOCAL COUPLE HAVE SERIOUS ACCIDENT.

A well-known local couple, Mr. and Mrs. Verne Hittinger, are both in hospital in Edmonton as the result of an accident sustained on August 9th. Mr. and Mrs. Hittinger were returning home from the Riviere Qui Berre district after dark. When they came to the "correction line" with its T intersection, Mr. Hittinger, who was driving did not realize he had reached that particular corner and failed to make the right angle turn in time, causing his Volkswagen to hit the opposite ditch. Both he and his wife were taken to the Edmonton General Hospital by ambulance, suffering serious chest and throat injuries on his part and several fractures to her. They are both improving satisfactorily but will be hospitalized for some time yet. The car was very extensively damaged. Their son is staying with relatives at present. He was not with them at the time. RCMP stated it was most fortunate that they were driving slowly at the time.

### ST. ALBERT LIONS CLUB OFFICERS ATTEND CONFERENCE

Dr. W. D. Cuts, President of the local Lions Club, accompanied by Wm. Blackie, a Director, and George Willis, Committee Chairman, attended the Lions International Leadership Training Conference in Edmonton on August 11 and 12. Also attending from the local club was International Counsellor, Hector Arseneau who conducted a discussion panel on Membership Development.

The Conference was first held four years ago and is held for the purpose of bringing Club Officers up-to-date on Club and District Administration. Some one hundred delegates attended from the 47 clubs in central and northern Alberta and Northern B. C., which comprise District 37B of Lions International. Guest speaker for the conference was Past International Director Leo Graybill of Great Falls, Montana, a former Speaker of the Montana State House of Representatives.

A pleasant sidelight of the conference was the winning of the door prize by Dr. Cuts, which was a framed picture of an Alberta scene.

### Y. M. C. A. and Community

The Board of Directors of the St. Albert Community League enjoyed a film and talk by Mr. Clark Ready of the Edmonton Central Y. M. C. A., on the possibility of setting up an "Outpost" of the "Y" in St. Albert. A committee consisting of Mr. George Walker, Mr. Chris Gates and Dr. W. D. Cuts was appointed to investigate the matter further.

The Board inspected with pleasure the progress of the repair work which has been done on the Community Hall, which was given hearty approval.

Social affairs already scheduled and in the planning stage include a Barbecue, a Halloween Masquerade, Weekly Bingo Games and a New Year's Eve Social. The possibility of starting Saturday Night dances was discussed but no action taken. A general meeting of members of the League is to be held on Monday, September 17th, for the express purpose of discussing the future program of the League and authority to borrow funds to complete the renovation of the Hall. Lunch will follow this meeting. Over two hundred notices have already been mailed out to the members. Anyone else from St. Albert and District who is interested is invited to attend.

## FUN FOR THE WHOLE FAMILY

### St. Albert Trail

# GO - KART LTD.

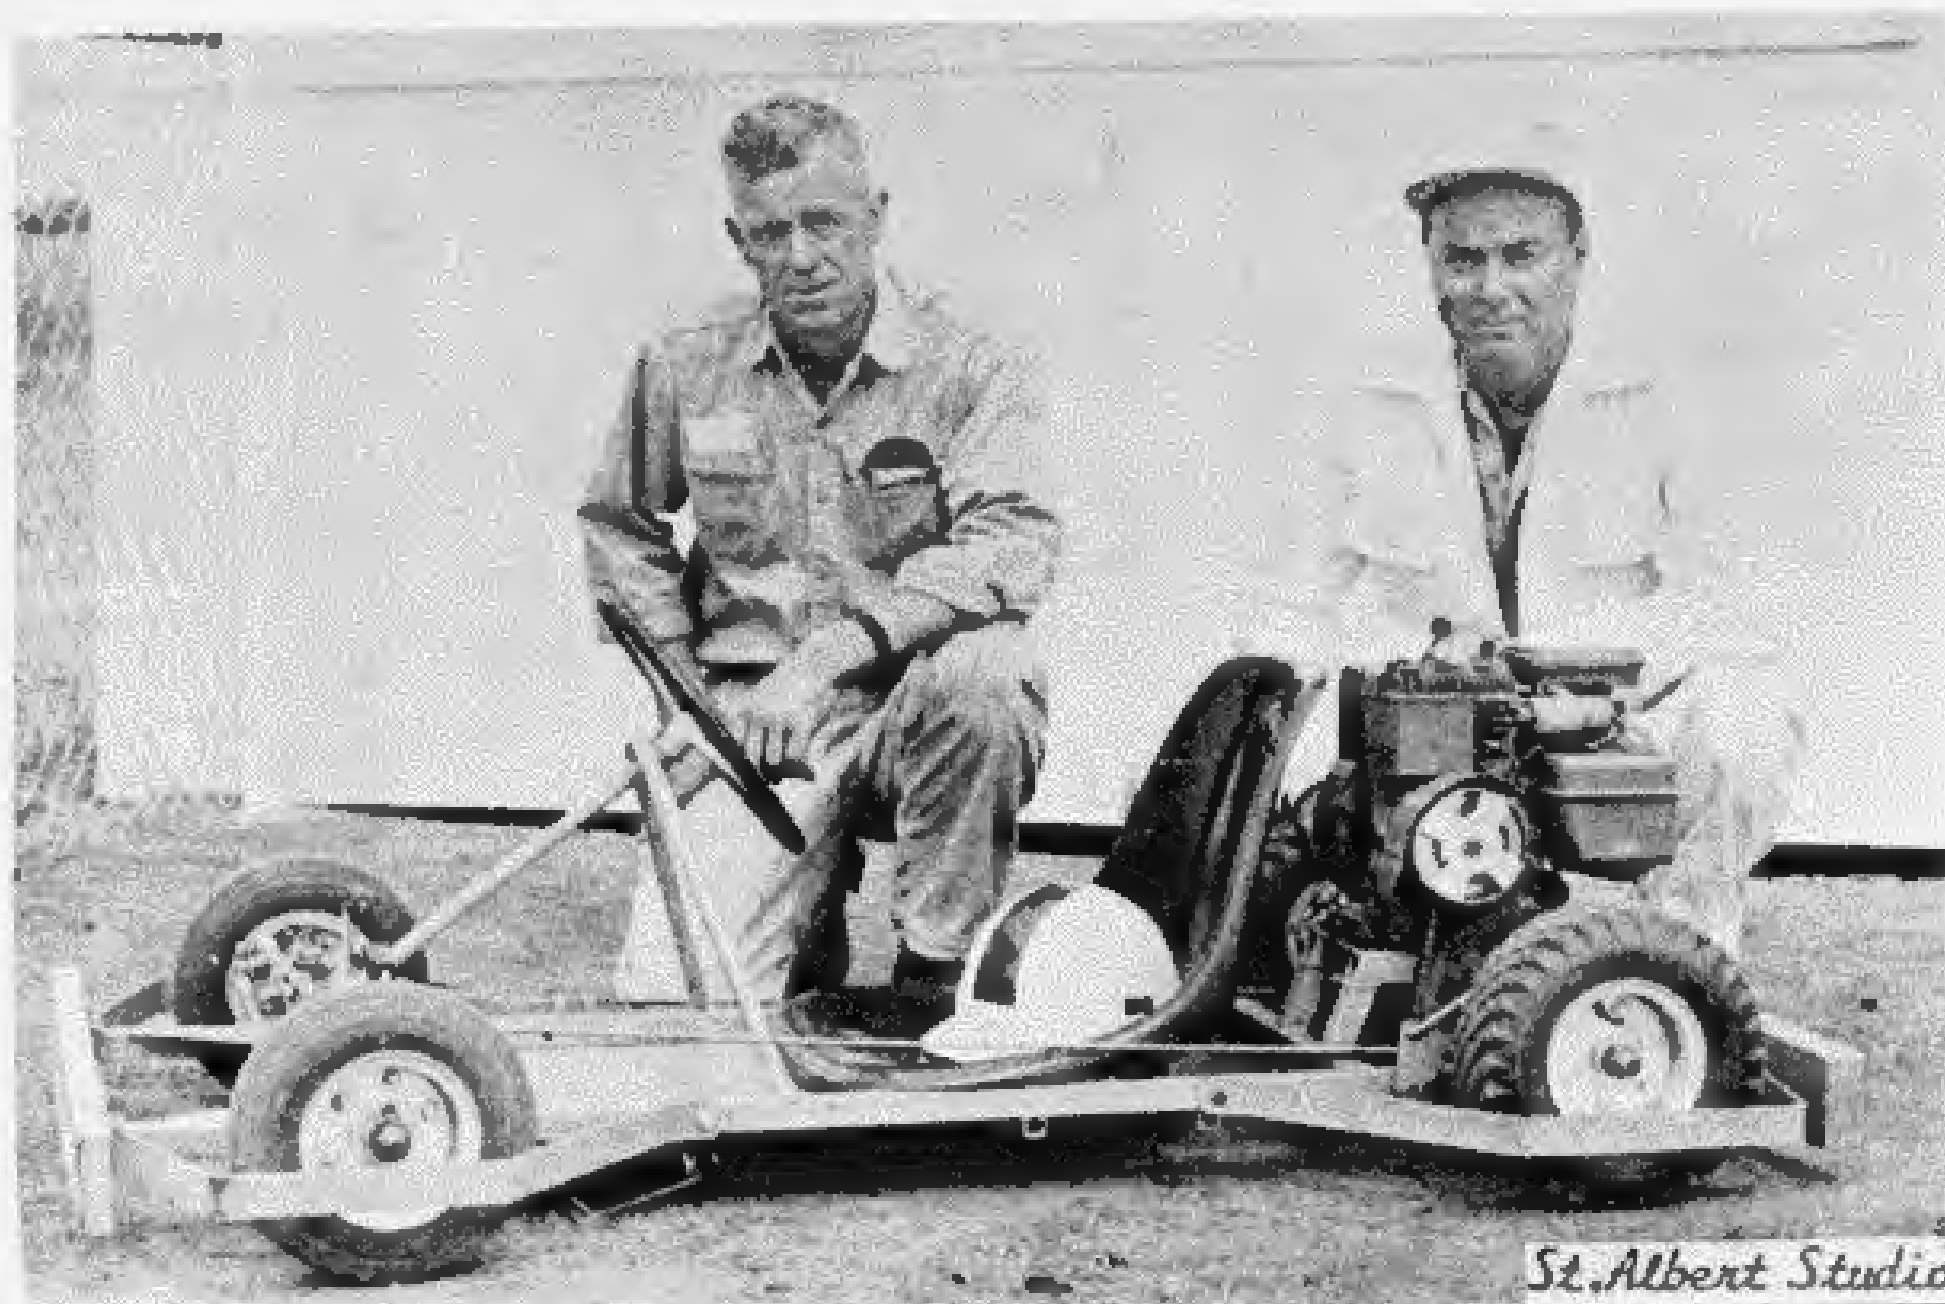

"Home Stretch Turn"

### GO - KART TRACK OPENED ON ST. ALBERT TRAIL

by "Hot Rod" - Gazette Sportswriter.

St. Albert Trail Go-Kart Ltd. is owned and operated by Hector Belley and Charlie Dixon, both residents of St. Albert and District over a considerable period. The Official Opening by Mayor Veness of St. Albert on Sunday, August 19, was the culmination of two months of serious planning and hard work on the part of "Hec" and "Charlie". The track itself is one third of a mile long, twenty feet wide, and black-topped. The location chosen by "Hec and Charlie" was with the view of bring residents of both Edmonton and St. Albert together in a friendly but competitive spirit in their relaxation moments. Go Kart racing or driving for just enjoyment seems to the writer to be one in which the whole family can enjoy in participating in or merely watching these miniature Grand Prix autos take the track course.

The track was officially opened by the Mayor of St. Albert, Mr. Wm. Veness who performed the ribbon cutting ceremony and thereby signified the first race of the day, a feature race in which Go Karts from Calgary, Edmonton, Red Deer and one entry from Vancouver, Mr. "Jats" Gately flying in only the day before with his entry of the "Super Slingshot". The day's events consisted of 10 races of from 10 - 15 laps with the final contest going 40 laps and comprised entries of an assortment of different Go Karts. The races were divided into three age groups, under 16,

St. Albert Studio

left to right:

=====

**Charlie Dixon and Hector Belley are the Owners  
of The St. Albert Trail Go-Kart Ltd.**

=====

16 and over and the adult class, 18 and over. Today's opening saw all privately owned Karts in the contests, all interested parties may obtain information on where to procure one of these miniature speedsters from either St. Albert Trail Go Kart Ltd. or from Mr. Bill Waller, President of the Edmonton Go Kart Association. Following completion of the contests the track was open for concession rides. The St. Albert Trail Go Kart Ltd. has 10 new Karts to serve the public, both

young and old. Admission price 50¢ for 5 minutes. Regulation safety helmets are provided, and liability insurance for on and off the track users is provided by the management under licensing by the Canadian Karting Association. The track is open seven days weekly and an open invitation to all is extended to come and participate in the sport. For all enthusiasts, old and young, it is hoped to feature a racing meet on Labour Day, September 3, 1962.

## LARGE ATTENDANCE AT YOUVILLE SALE

The large dairy herd of the Grey Nuns Youville Farm in St. Albert went under the auctioneer's hammer on Saturday to realize \$33,151.00. C. Dionne, of Therien paid the top price of \$390.00 for the day. Average price for the mature cows, 62 of them grade animals and the rest registered, was \$265.00. Buyers were present from points as distant as North Battleford. Twenty one two year old heifers averaged \$223.00.

Some yearlings and heifer calves were included in the herd. This sale concludes the fluid milk and dairy farm operations of the Youville Farm. Farming operations commenced on the site 101 years ago with the first cultivation of land under Father Lecombe's direction. Expansion of St. Albert has made it impracticable to continue major farming operations at the old location, hence the liquidation of the herd.

## MISSION PARK SCHOOL OPENING.

Mission Park School, operated in St. Albert by the County of Sturgeon, will commence classes at 1:00 P.M. on Tuesday, September 4th.

## OVER 5,000 SHARE PILGRIMAGE

The annual Pilgrimage to the Grotto of Our Lady of Lourdes at the St. Albert Mission drew over 5,000 participants. Masses and confessions were held in the church in the morning. Rev. Father Morris LaFrance, Provincial of the Oblate order, celebrated solemn high mass at the Grotto, while sermons during the morning services were given by Rev. Father Fernand Thibault and Rev. Father Ernest Denomes. Presiding over the afternoon services was Archbishop Anthony Jordan, Coadjutor Archbishop of Edmonton. An honor guard of the Knights of Columbus from Edmonton escorted him. Afternoon services were conducted at the Grotto, where sermons were delivered by Rev. Father Herbert Swift and Rev. Father Fernand Champagne. Ceremonies of the afternoon concluded with the Procession of the Blessed Sacrament followed by Blessing of the Sick and Veneration of the Relic.

## SPORTS

## HERACLES WIN

## FIRST ENCOUNTER.

Congratulations to St. Albert's Junior Soccer Team, The Heracles. Wednesday evening they played their first tournament game, against North Edmonton Maple Leafs, and won, by a score of 4 to 0. Scores were made by John Natelenbos, with three goals, and Wayne Chamney. The Heracles will appear in the final of the tournament on Saturday, the 25th at 2:00 p.m. in Clark Stadium. Half an hour of the game is to be televised. The boys would appreciate a strong contingent of St. Albert fans to cheer them on.

## From Our Readers

Dear Sir:

As the proprietors of two down-town beauty salons in St. Albert, we have had our business tax levy substantially increased. We also pay commercial rates for electricity and gas. This is to be expected in operating a business establishment, and we are not complaining.

What we are complaining about is the existence in St. Albert of a number of hair dressing salons, located in private homes, the operators of which pay no business tax. These businesses compete with us with the advantage of very low overhead, and yet are not taxed. We do not feel that this is fair!

Yours truly,

JESSIE BROEKSMA

We managed quite well for 101 years and we will for another 101 years. Our fathers wore overalls of blue denim and were proud when they saw their sons following their examples of honest law abiding citizens.

We never had hoodlums but we may in the next 101 years but it won't be the blue jeans that will do it.

In closing I would like to quote Solon "That is the most perfect government under which a wrong to the humblest is an affront to all".

Sincerely yours

One who respects blue jeans,  
(Mrs. E. Bryant, 20 Ball Ave.)

Dear Sir:

I accuse the St. Albert Protestant Separate School Board of experimenting

with our human liberties and inventing dress regulations as discipline for discipline's sake.

A child's dress does not instill respect or discipline in him for a teacher or school. This is within the person of the teacher and the attitude of the school toward him.

Whether Mary wears a blouse or sweater or Johnny has jeans and a Tee shirt or one with snaps or buttons on. This is not going to pull the mind into undesirable attitudes toward their work or teacher. When they greet their teacher neat, smiling and bright each morning what more could any teacher wish for.

Each year a large and growing cosmopolitan group of new-comers are con-

fronted with these rigid dress regulations and a two page list of rules and requirements steeped with local attachments and prejudices.

Several weeks later the parents experience the full impact of the board dictatorial methods of enforcing these regulations and dealing with this undesirable element in this progressive school.

They must wonder - as we did, what authority a parent any longer has in managing as they see fit the dressing of their own children.

We do not want a floundering negligent school system, but one with the flexibility and common sense to meet the needs and rights of all people.

A. Z. CHOUKALOS.
